Requirements for Grain Dealers

STATE OF NEW MEXICO

Current with legislation from the Second Reg. Sess. of the 51st Legislature (2014)

N. M. S. A. 1978, § 76-15-16
§ 76-15-16. Records and accounts

All persons licensed under the Produce Marketing Act shall keep complete and accurate records showing all produce handled by them, the ownership of the produce, date and place of any shipments. Packers will give growers the weight or count by box or bag of any produce packed for the grower. Brokers are required to give growers a record of the shipments upon completion of shipping.
