Possession or Distribution of Data or Images of a Crime

STATE OF NORTH CAROLINA

NC ST § 14-401.25

Current through April 2, 2020

NC ST § 14-401.25 Unlawful Distribution of Images

It shall be a Class A1 misdemeanor to publish or disseminate, for any purpose, recorded images taken by a person or non-law enforcement entity through the use of infrared or other similar thermal imaging technology attached to an unmanned aircraft system, as defined in G.S. 15A-300.1, and revealing individuals, materials, or activities inside of a structure without the consent of the property owner.
