(a) Grantees shall be reimbursed for eligible activities as defined in Saf-C 2904.01.
(b) Reimbursement requests shall include requirements as follows:
   (1) Cover sheet requirements from DSAD 67, (rev. 9/19), as follows:
       a. Use of grant funds shall be consistent with and supportive of implementation
          of the Department of Safety Law Enforcement Substance Abuse Reduction
          Initiative Grant Program outlined herein;
       b. Applications shall be accepted for projects that support local law
          enforcement, county law enforcement or regionalized agency coalitions
          specifically developed for this project with the goals to primarily be: the
          continuation and expansion with partnership patrols; covert undercover
          narcotics investigations to reduce and deter narcotics, heroin/fentanyl
          sales and overdoses; and information gathering and sharing to ensure
          de-confliction of cases in partnership with the State Information and
          Analysis Center (IAC), which will also enhance officer safety;
       c. No funds shall be granted for “purchase of evidence” or for
          “confidential funds” utilization under this grant program;
       d. No operational equipment shall be purchased with these grant funds
          (for example, weapons, vests, drones, night vision, radios, specialized
          vehicles, etc.) for local, county, or regionalized agency coalitions formed
          for this project;
       e. Projects that promote multijurisdictional law enforcement collaboration
          and increased information sharing through the IAC shall be accepted;
          and
       f. The supplanting of locally budgeted and approved funds for routine law
          enforcement shall be prohibited.
   (2) A completed form “Documentation for Reimbursement of Overtime”, DSAD
       69 (rev. 9/9); and
   (3) A completed form and payroll backup “Substance Abuse Grant Overtime
       Summary Sheet”, DSAD 70, (rev. 9/19).
(c) The grantee, or designee who has been authorized by the grantee to sign on his or
    her behalf, shall sign the completed form DSAD 69, (rev. 9/19), reimbursement
    request certifying that:
(1) All reimbursement requests are accurate and represent activities and costs allowed by the grant award;
(2) Documentation in support of reimbursement cost shall be retained at the municipality/agency submitting the form DSAD 69, (rev. 9/19), and shall be retained for state review for a period of 3 years;
(3) The municipality has paid the individual officers the funds represented on DSAD 69, (rev. 9/19);
(4) Dual compensation has not been paid;
(5) Fringe benefits requested for reimbursement includes only the employee share of the NH retirement system contribution, medicare, worker's compensation, and unemployment compensation;
(6) Part-time employees will be paid only at the straight time rate for those positions; and
(7) Salaries paid were exclusively in support of the “Law Enforcement Substance Abuse Reduction Initiative” awarded.

d) As a condition of grant award, all interactions, intelligence, arrests, and seizures have been reported to the IAC using the required deconfliction process and through the use of “Felony Drug Arrest Submission Form” DSSP 432, (rev. 1/2018).
e) Drug task force participants shall be reimbursed by their employer, the local or county law enforcement agency.

NH Code Admin R. Saf-C 2904.03 Unallowable Costs

(a) Pursuant to RSA 21-P:66, IV, the following shall be prohibitions on allowable uses of funds:
   (1) Supplanting locally budgeted and approved funds for routine law enforcement;
   (2) The purchase of evidence or for confidential funds;
   (3) The purchase of operational equipment; and
   (4) Training for officers in data-driven policing or drug enforcement law and procedure.

(b) For the purposes of this section, “operational equipment” shall include, but not be limited to:
   (1) Weapons;
   (2) Vests;
   (3) Drones;
   (4) Night vision equipment;
   (5) Radios; or
   (6) Specialized vehicles.

(c) Grant funds for reimbursement of law enforcement overtime costs, pursuant to Saf-C 2904.02(a) above, shall not include reimbursement of costs for time spent traveling to or from any designated grant funded activity, including patrol area, nor training costs or time spent in training.
