States' Unmanned Aerial Vehicle Laws: Oregon

OR ST § 837.362

Current through November 17, 2022

OR ST § 837.362 Policies and Procedures for Use of Data

- (1) A public body that operates an unmanned aircraft system shall establish policies and procedures for the use, storage, accessing, sharing and retention of data, including but not limited to video and audio recordings, resulting from the operation of the unmanned aircraft system.
- (2) The public body shall post the following information on the public body's website or otherwise make the following information available to the public:
 - (a) The policies and procedures established under this section.
 - (b) The text of ORS 192.345.
- (3) The policies and procedures established under this section must include:
 - (a) The length of time data will be retained by the public body.
 - (b) Specifications for third party storage of data, including handling, security and access to the data by the third party.
 - (c) A policy on disclosure of data through intergovernmental agreements.
