All unexpended and unencumbered monies in this fund at the end of each fiscal year shall remain in this fund. The monies in this fund shall be invested by the state treasurer in the same manner as monies in the state general fund, and interest earned on the investment of these monies shall be credited to this fund, again, following compliance with the requirement of Article VII, Section 9 of the Constitution of Louisiana relative to the Bond Security and Redemption Fund.

(3) The monies in the Grain and Cotton Indemnity Fund shall be used solely for the administration and operation of the Grain and Cotton Indemnity Fund provided for in this Section.

(4) The assessment shall not apply to grain or cotton purchased or contracted prior to August 15, 2008.

D. The commission shall adopt rules and regulations, in accordance with the Administrative Procedure Act, necessary for the efficient administration of the Grain and Cotton Indemnity Fund. Such rules shall include:

(1) Procedures for claims on the Grain and Cotton Indemnity Fund.

(2) Reimbursement limitations.

(3) Any rules and regulations necessary for the administration of the Grain and Cotton Indemnity Fund.

(4) The establishment of civil penalties for violations of this Section.

E. At the end of the calendar quarter in which the Grain and Cotton Indemnity Fund reaches a level of six million dollars, the commission shall suspend collection of the assessment required by this Section. If after suspension of collection the balance in the fund is less than three million dollars, the commission shall require collection of the assessment.

F. A producer shall be eligible to receive indemnity payments from the Grain and Cotton Indemnity Fund if:

- (1) The licensed grain dealer becomes insolvent after January 1, 2008.
- (2) The licensed cotton merchant becomes insolvent.
- (3) The licensed grain dealer or cotton merchant, as a result of the insolvency, does not fully compensate the producer in accordance with a sale of agricultural commodities.

G. Upon the insolvency of a licensed grain dealer or cotton merchant, the commission shall make the proceeds of the Grain and Cotton Indemnity Fund available for use in meeting the licensee's obligations with respect to the reimbursement of any producer who sold grain or cotton to the licensee and who was not fully compensated.

H. If claims for indemnity payments from the Grain and Cotton Indemnity Fund exceed the amount in the fund, the commission shall prorate the claims and pay the prorated amounts. As future assessments are collected, the commission shall continue to forward indemnity payments to each eligible person until the person receives the maximum amount payable in accordance with this Section.

I. Notwithstanding any other provision of law to the contrary, if the commission pays a claim using Grain and Cotton Indemnity Funds, all payments shall be made jointly payable to the claimant and to all secured parties and lienholders that, ten days before the payment date, hold a security interest in or a lien on the crops, farm products, or agricultural commodities, perfected by the filing of a financing statement that:

- (1) Identified those crops, farm products, or agricultural commodities as collateral.
- (2) Was indexed under that producer's name as debtor.
- (3) Was filed in the office designated for filing a financing statement against the producer covering that collateral.

J. Expenses incurred by the commission in administering the Grain and Cotton Indemnity Fund shall be reimbursable from the fund. Administrative expenses shall be paid in priority to all other payments.

L. Money paid from the Grain and Cotton Indemnity Fund in satisfaction of a valid claim constitutes a debt obligation of the person against whom the claim was made. The commission may take action on behalf of the fund against a person to recover the amount of payment made, plus reasonable costs, including court costs, incurred by the commission in obtaining recovery,

legal interest from the date of payment of any claim, and reasonable attorney fees. As a condition of payment of a claim from the Grain and Cotton Indemnity Fund, the claimant shall subrogate its interest, if any, to the commission in a cause of action against all parties, to the amount of the loss that the claimant was reimbursed by the fund.

§ 3:3413. Hedging requirement, grain dealer's maximum risk position; appeal from commission action; change of maximum risk position.

A. Each grain dealer shall adhere to normal merchandising practices, as determined by the commission, in hedging its obligations. "Normal merchandising practices" means that each grain dealer shall achieve and maintain a relatively even hedge position within a reasonable period of time after each purchase of commodities.

B. In order to determine the risk position of any grain dealer, the commission may require the grain dealer to submit, in addition to the certified financial statement required as a part of the application for licensure, unaudited financial statements in the interim between the annual application for the renewal of the license. No grain dealer may maintain a risk position in excess of thirty percent of its current net worth, provided that the commission may specify a lower maximum risk position for any grain dealer in an amount having a reasonable relationship to that grain dealer's net worth.

C. Whenever the commission, on the basis of its inspection, examination, or audit of a grain dealer, anticipates a need for the establishment of a maximum risk position of less than thirty percent of the grain dealer's current net worth, the commission shall notify the grain dealer, as required by Chapter 13 of Title 49 of the Louisiana Revised Statutes of 1950, to appear at a public hearing before the commission and show cause why such lower maximum risk position should not be established by the commission for the grain dealer. The grain dealer shall be allowed to appear in person or be represented by counsel at said public hearing and shall be afforded every reasonable opportunity to present data or arguments in support of its position. The commission shall not establish a maximum risk position of less than thirty percent of any grain dealer's current net worth prior to a hearing conducted pursuant to by Chapter 13 of Title 49 of the Louisiana Revised Statutes of 1950.

D. The commission may from time to time revise the risk position established for any grain dealer. Whenever the commission proposes to revise the maximum risk position established for any grain dealer, the grain dealer shall be notified and a public hearing conducted as required by Subsection C hereof prior to any change in the maximum risk position established for any grain dealer.

E. Any grain dealer may request in writing at any time that the commission revise the risk position established for his business activities and the commission shall act upon its request at its next regular or special meeting.

F. Any grain dealer aggrieved by any action of the commission in revising its maximum risk position may seek judicial relief as provided by Chapter 13 of Title 49 of the Louisiana Revised Statutes of 1950.

G. No cotton merchant shall be subjected to any type of hedging requirement.

§ 3:3414. Written evidence required for contracts; quarterly statements on storage contracts.

A. All contracts, other than contracts for spot sale, in which title shall pass shall be evidenced in writing.

B. In addition to the requirements provided in Subsection A of this Section, the warehouse shall provide a written statement to the producer who has contracted for storage on a quarterly basis. The statement shall include all charges and the rate of accrual of the charges.

C. An oral contract or agreement for the sale of grain capable of being hedged on any grain exchange evidenced by a written, unsigned confirmation of sale, mailed or electronically transmitted to the producer of the grain within five business days shall be deemed a signed contract evidenced in writing as provided in Subsection A of this Section and in Chapter 5 of Title III of Book III of the Louisiana Civil Code.

§ 3:3414.1. Prompt payment.

Each grain dealer who purchases grain from producers under a spot price or daily market contract shall pay the producer for the grain within ten working days after the day the grain is delivered pursuant to the contract of sale.

§ 3:3414.2. Prompt payment for rice.

A. The provisions of this Section shall apply to each transaction in which a purchaser buys rice from a producer under a bid contract.

B. As used in this Section, the following terms shall have the following meanings ascribed to them:

(1) "Bid contract" means an agreement between a producer and a purchaser under which the purchaser examines samples of rice and extends to the producer an offer to purchase the rice at a price based on the quality of the sample.

(2) "Confirmation date" means the date on which the bid contract was confirmed.

(3) "Confirmed" means the bid contract has been agreed to. A bid contract is confirmed when the producer and the purchaser agree to the quantity and price of the rice to be sold.

(4) "Delivery date" means the date on which the purchaser is required to take delivery of the rice, either under the provisions of this Section or under the provisions of a written agreement between the producer and the purchaser.

(5) "Person" means any individual, partnership, corporation, association, or other legal entity.

(6) "Purchaser" means any person who purchases rice from a producer under a bid contract.

C. Each purchaser shall take possession of the rice which is the subject of the bid contract no later than the fourteenth calendar day after the confirmation date unless the producer and the purchaser agree in writing that the purchaser shall take possession of the rice on a different delivery date.

D. If the purchaser does not take possession of the rice on or before any delivery date, the purchaser shall pay all storage and related charges for the storage of the rice after each delivery date, with such time not to exceed thirty days following each such delivery date.

E. After the thirtieth day following any delivery date, if the purchaser has not taken possession of the rice, the producer shall have the option to either continue to hold the rice for delivery to the purchaser, deliver the rice to another purchaser, or amend the original bid contract by mutual written consent.

F. Each purchaser shall pay for the rice purchased from each producer under a bid contract no later than the tenth calendar day after the purchaser takes possession of the rice or receives accurate distribution instructions from the seller, whichever is later.

G. If the purchaser does not make payment as required in Subsection F, the purchaser shall pay the producer interest on the purchase price at the legal rate of interest as established in Civil Code Article 2924.

H. Any grain dealer acting solely as a commissioned agent for the producer in a bid contract transaction shall not be considered a purchaser or a producer in a bid contract where the actual purchasing grain dealer does not take possession of the rice.

§ 3:3414.3. Grain sampling and grading.

A. The commission by rule shall adopt standards for sampling and grading grain. The standards shall include tolerances for the interpretive element of grading. The standards shall be consistent with the standards adopted by the United States Department of Agriculture for sampling and grading grain. The commission shall provide copies of any changes in the standards to each grain dealer prior to the date the changes become effective.

B. The commission may certify grain samplers and graders. The commission may conduct courses of instruction in the methods of sampling and grading grain in one or more locations throughout the state. Each person who displays an adequate knowledge of sampling and grading grain which is satisfactory to the commission shall be issued a certificate.

C. Each grain dealer who issues grades for grain shall sample and grade each load of grain delivered by a producer within seventy-two hours from the time the grain is delivered to the grain dealer.

D. Each grain dealer who issues grades for grain shall retain each sample of grain received from a producer which is subject to excessive deductions. The commission by rule shall determine the level of deductions which are excessive for each type of grain. This determination shall include deductions for all causes and shall be based upon the numerical grades determined for each type of grain by the United States Department of Agriculture. Samples of grain which are subject to excessive deductions shall be retained in separate containers and shall be retained for five days from the date the sample was graded.

E. Repealed by Acts 2010, No. 767, § 2, effective June 30, 2010.

F. If a dispute arises as to the grading of a sample which is subject to excessive deductions, the grain dealer, or the producer, or both, may request that the sample be regraded by the department. If a regrading is requested, the grain dealer shall provide the sample to the department.

G. The department may charge a fee for regrading a sample. The fee shall be fixed by the commission by rule in an amount not to exceed fifty dollars.

H. If the dispute is not resolved on the basis of the regrading, either party may introduce the results of the regrading in evidence in any legal action which results from the dispute.

I. The employees of the department may inspect randomly selected samples to determine if a grain dealer who issues grades for grain is taking samples and grading grain in accordance with the standards adopted by the commission. The department shall not charge for an inspection under the provisions of this Section. The sample shall be obtained, or the inspection performed, during the normal working hours of the grain dealer.

J. If a grain dealer who issues grades for grain does not take samples or grade grain in accordance with the standards adopted by the commission, the commission may place the grain dealer on probation. If the grain dealer continues to sample or grade grain incorrectly, or if the grain dealer fails to retain samples or to provide samples as required by this Section, the commission may suspend or revoke the grain dealer's license.

K. A grain dealer may be placed on probation and a grain dealer's license may be suspended or revoked only by a ruling of the commission based on an adjudicatory hearing held in accordance with the Administrative Procedure Act.

L. The department shall inspect, classify, and grade all grain subject to this Subsection. The department may charge a fee for inspecting, classifying, and grading grain. The fee shall be fixed by the commission by rule and shall be based on the actual cost of providing the service. The provisions of this Subsection shall not apply to grain sold for export nor to inbound grain intended for export shipment.

§ 3:3414.4. Prompt payment for cotton; suit on bond; private action; attorney fees.

A. Any cotton merchant or cotton agent who purchases cotton from a producer shall pay the producer for the cotton within ten working days after the day the cotton is delivered, or pursuant to the contract of sale.

B. Any producer from whom cotton was purchased or contracted to be purchased and to whom money is due for cotton sold for future delivery as a result of the nonperformance of the cotton merchant or cotton agent shall be entitled to submit a claim on the security to the commission pursuant to its administrative procedures. Limitation of liability as to the security shall not restrict suits against the cotton merchant or cotton agent for losses incurred in excess of the amount of the security. Suit may be brought in any parish where the crop or any part thereof was grown or any other venue authorized by law. Upon suits being filed in excess of the amount of the bond or alternate security, the commission may require new security in an amount sufficient to secure the aggregate amount of such suits, and if such additional security is not given within thirty days of demand therefor, the commission may cancel the license of the cotton merchant. In the case of the insolvency of a cotton merchant, any cotton producer or cotton landowner having contracts for future delivery shall be entitled to submit a claim on the security to the commission pursuant to its administrative procedures and participate in the recovery on the security to the extent of his pro rata losses under his contract.

C. Should the security proceeds recovered be insufficient to satisfy all claims in full, any producer who has received only partial satisfaction shall retain all other rights possessed under the law without prejudice.

D. The commission may bring an action on the security in any court of competent jurisdiction.

§ 3:3415. Scale ticket required; contents.

A. Whenever any agricultural commodity or other farm product is delivered to a warehouse or grain dealer licensed under this Chapter, the warehouse or grain dealer shall issue a scale ticket covering the commodity or other farm product within seventy-two hours of delivery. Scale tickets covering commodities or other farm products deposited for any type of storage shall be marked to indicate "storage". Title to commodities deposited for storage shall remain with the producer.

B. Repealed by Acts 2010, No. 767, § 2, effective June 30, 2010.

- (2) The name and other information sufficient to identify the owner of the agricultural commodity or other farm product.
- (3) The type, quantity, and grade or applicable grade factors necessary to determine the net value of the commodity received. This requirement shall not apply to grain dealers and warehouses which do not issue grades.
- (4) The date the commodity was delivered.
- (5) One of the following, as appropriate:
 - (a) If the commodity is to be deposited on a "spot" basis, the words "spot" or "spot sale", and when so marked the scale ticket shall serve as written confirmation of the sale.
 - (b) If the commodity is deposited for any type of storage, the word "storage".
 - (c) If the commodity is deposited for contract, the word "contract".

§ 3:3416. Warehouse receipts; authorization for and release.

A. Each warehouse shall, on demand, issue a warehouse receipt for any agricultural commodity or other farm product stored in the warehouse. Warehouse receipts may be negotiable or non-negotiable.

B. Each person to whom a non-negotiable warehouse receipt is issued shall furnish the warehouse with a written statement indicating the person or persons having power to authorize delivery of the commodity covered by the warehouse receipt, together with a bona fide signature of such person or persons. No warehouse shall honor an order for the release of the commodity covered by a non-negotiable warehouse receipt until it has first ascertained that the person issuing the order has authority to order the release and that the signature of the person authorizing the release is genuine.

C. Except as otherwise provided by law, or by the rules and regulations of the commission, a warehouse shall not deliver any agricultural commodity or other farm product for which it has issued a non-negotiable warehouse receipt unless the warehouse receipt has been returned to it or unless it has obtained an authorized written order for a partial release of such commodity or other farm products. When a portion of the commodity has been delivered on the basis of a

partial release, the last portion of the commodity shall not be delivered unless the warehouse receipt is returned.

D. In any circumstances not specifically provided for in this Chapter, the provisions of Chapter 7 of Title 10 of the Louisiana Revised Statutes of 1950 control.

§ 3:3417. Special provisions for handling of warehouse receipts.

A. While an original warehouse receipt issued under this Chapter is outstanding and uncanceled, no other or further warehouse receipt shall be issued for the agricultural commodity or other farm product, or any part thereof, covered by such outstanding and uncanceled warehouse receipt.

B. Whenever a warehouse receipt is lost or destroyed, a warehouse receipt to replace such lost or destroyed warehouse receipt may be issued, but only with the prior approval of the commission.

C. No warehouse receipt shall be issued except for agricultural commodities or other farm products which are actually stored in the warehouse at the time of issuance of the warehouse receipt.

D. Every warehouse shall promptly and plainly cancel on the face thereof each warehouse receipt returned to it upon the delivery by it of the agricultural commodity or other farm product for which the warehouse receipt was issued.

E. Whenever any agricultural commodity or other farm product is held in open storage, the warehouse or grain dealer shall have a warehouse receipt to cover the agricultural commodity or other farm product or shall be able to account for the physical whereabouts of the agricultural commodity or other farm product.

F. Failure to properly account for any agricultural commodity or other farm product in open storage may subject the warehouse or grain dealer to seizure as provided by R.S. 3:3407, suspension or revocation of its license, other penalties provided by this Chapter, or any combination hereof.

§ 3:3418. Delivery and discharge from storage of stored agricultural commodities.

A. Except as provided herein, every warehouse licensed under this Chapter shall, without unnecessary delay, deliver the agricultural commodity or other farm product stored therein upon a demand made either by the holder of a warehouse receipt or a scale ticket marked for storage covering the agricultural commodity or other farm product or by the depositor thereof if such demand is accompanied by an offer to satisfy the warehouse lien; an offer to surrender the warehouse receipt, if negotiable, with such endorsements as would be necessary for the negotiation of the warehouse receipt; and written acknowledgment, when the agricultural commodity or other farm product is delivered to it, that the commodity or product has been so delivered. The above action is not required in any circumstances where the warehouse has determined that there are liens recorded against the commodity or other farm product covered by the warehouse receipt or scale ticket marked for storage or where the order of any court of competent jurisdiction prohibits the release of the agricultural commodity or other farm product.

B. Every warehouse may require any depositor of an agricultural commodity or other farm product to remove the commodity or other farm product from storage upon sixty days prior written notice to the depositor.

§ 3:3419. Records required.

A. Each warehouse shall maintain complete, separate, and correct records and accounts pertaining to each warehouse, including, but not limited to, records and accounts of all commodities and farm products received therein and withdrawn therefrom, all unissued warehouse receipts and scale tickets issued by it, and the warehouse receipts and scale tickets returned to it and canceled by it.

B. Each grain dealer and cotton merchant shall maintain complete, separate, and correct records, including but not limited to records of each transaction with each producer and records reflecting the grain dealer's or cotton merchant's daily position with respect to all commodity transactions.

C. Warehouses, cotton merchants, and grain dealers shall maintain all required records in a form acceptable to the commission for a period of five years.

Such inspection, copying, examination, or audit may be made on any business day, during normal working hours. The warehouse, cotton merchant, or grain dealer shall provide the necessary assistance required for any inspection, copying, examination, or audit made in accordance with this Chapter or the rules and regulations adopted pursuant hereto.

§ 3:3419.1. Communication of producer information.

A. Notwithstanding any other law or contractual provision to the contrary, a grain dealer and agriculture lender may communicate, either orally or in writing, information related to an agricultural commodities booking or contract concerning a producer with whom the parties have a mutual business relationship. B. Notwithstanding any other law or contractual provision to the contrary, any grain dealer or agriculture lender that communicates information provided for under Subsection A of this Section shall be held harmless and shall not be liable to the producer or any other party under any theory of law for communicating such information.

C. A grain dealer or agriculture lender receiving information relative to a producer under the provisions of this Section shall not share the information with any persons not authorized in this Section to receive such information.

D. The provisions of this Section shall only be applicable during the duration of a gubernatorially or presidentially declared disaster which includes the parish or parishes where a producer, with whom a lender and elevator have a mutual business relationship under the provisions of this Section, farms or produces agricultural commodities.

§ 3:3420. Schedule of charges and tariffs.

Whenever there is a change in any warehouse's schedule of charges or tariffs, the new schedule shall be filed with the commission prior to implementation thereof. These charges or tariffs shall be the same for the same class of service to each customer of the warehouse and shall be posted conspicuously in each location covered by the license.

§ 3:3421. Confidentiality of records.

Notwithstanding the provisions of Chapter 1 of Title 44 of the Louisiana Revised Statutes of 1950, all financial statements, position reports, and any other documents required for licensure and filed by applicants for licensure under this Chapter shall be kept confidential by the commission and its agents and employees and are not subject to disclosure except as follows:

C. No producer shall be entitled to claim a refund of any regulatory fees established by the commission under this Section.

D. Every moisture measuring device used or held for use at any commercial facility which receives, holds, dries, stores, mills, processes or otherwise deals in agricultural commodities in this state, when such use or intended use is for the purpose of determining discounts or other price variances in connection with the purchase or sale of such commodity, shall be registered with the Louisiana Department of Agriculture and Forestry. The commission shall register and inspect all moisture meters or other devices used to measure moisture in agricultural commodities on an annual basis. A. All assessments, fees, penalties, and all other funds received under the provisions of this Chapter, subject to the exceptions contained in Article VII, Section 9 of the Constitution of Louisiana, shall be deposited immediately upon receipt into the state treasury and shall be credited to the Bond Security and Redemption Fund.

B. Out of the funds remaining in the Bond Security and Redemption Fund after a sufficient amount is allocated from that fund to pay all obligations secured by the full faith and credit of the state which become due and payable within any fiscal year, the state treasurer, prior to placing the remaining funds in the state general fund, shall pay an amount equal to the total amount of funds paid into the state treasury under the provisions of this Chapter into a special fund which is hereby created in the state treasury and designated as the Agricultural Commodity Dealers and Warehouse Fund, hereafter in this Section referred to as the "fund".

The sale, alienation, encumbrance, transfer of title, pledging, mortgaging, or hypothecation of any such agricultural commodity or other farm product without the written authorization of the owner thereof shall be presumptive evidence of the warehouseman's criminal intent to deprive such owner of his agricultural commodity or other farm product, or the market value thereof, and the warehouse and warehouseman shall be subject, upon conviction,

to a fine of not more than ten thousand dollars, imprisonment for not more than ten years, or both.

B. Any grain dealer who intentionally violates R.S. 3:3413(B) by maintaining a risk position in excess of thirty percent of its current net worth shall be subject, upon conviction, to a fine of not more than ten thousand dollars, imprisonment for not more than ten years, or both.
