A foreign principal has a de minimus indirect interest if any ownership is the result of the foreign principal’s ownership of

registered equities in a publicly traded company owning the land and if the foreign principal's ownership interest in the company is either:

- (a) Less than 5 percent of any class of registered equities or less than 5 percent in the aggregate in multiple classes of registered equities; or

(3)

(a) A foreign principal that directly or indirectly owns or acquires agricultural land or any interest in such land in this state before July 1, 2023, must register with the Department of Agriculture and Consumer Services by January 1, 2024. (c) The Florida Real Estate Commission shall adopt rules to implement this subsection, including rules establishing the form for the affidavit required under this subsection.

The defendant may at any time petition to modify or discharge the lis pendens based upon a finding that there is no probable cause to believe that the agricultural land, or any portion thereof, is owned or held in violation of this section.

(d) If the court finds that the agricultural land, or any portion thereof, is owned or held in violation of this section, the court must enter a final judgment of forfeiture vesting title to the agricultural land in this state, subject only to the rights and interests of bona fide lienholders, and such final judgment relates back to the date of the lis pendens.

(e) The department may sell the agricultural land subject to a final judgment of forfeiture. Any proceeds from the sale must first be paid to any lienholders of the land, followed by payment of any outstanding fines assessed pursuant to this section, after which the department must be reimbursed for all costs related to the forfeiture civil action and any costs related to the sale of the land.
