37-2-35. Certain contract restrictions on the sale of renewable motor fuels prohibited

No franchise-related document entered into or renewed on or after July 1, 2008 may contain any provision allowing a franchisor to restrict the franchisee or any affiliate of the franchisee from:

- (1) Installing on the marketing premises of the franchisee a renewable fuel pump or tank, except that the franchisee's franchisor may restrict the installation of a tank on leased marketing premises of the franchisor;
- (2) Converting an existing tank or pump on the marketing premises of the franchisee for renewable fuel use;
- (3) Advertising the sale of any renewable fuel, including through the use of signage;
- (4) Selling renewable fuel in any specified area on the marketing premises of the franchisee, including any area in which a name or logo of a franchisor or any other entity appears;
- (5) Purchasing renewable fuel from sources other than the franchisor if the franchisor does not offer its own renewable fuel for sale by the franchisee;
- (6) Listing renewable fuel availability or prices, including on service station signs, fuel dispensers, or light poles;
- (7) Allowing for payment of renewable fuel with any form of payment available for any other type of fuel;
- (8) Installing on the marketing premises of the franchisee an ethanol blender pump as defined in [§ 37-2-34.1](#); or
- (9) Using any pump to dispense a specified ethanol blend or range of blends, if the pump is approved by the authority having jurisdiction, as defined in [§ 34-38-23](#), for dispensing the specified ethanol blend or range of blends.

Nothing in this section authorizes any activity that constitutes mislabeling, misbranding, willful adulteration, or other trademark violations by the franchisee.
