

## States' Biofuels Statutes

### STATE OF South Dakota

*This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [States' Biofuels Statutory Citations](#).*

*Current through the 2014 Legislative Session of the South Dakota General Assembly.*

#### **37-2-6. Rules--Conformity to ASTM and NIST standards**

The secretary of the Department of Public Safety may, pursuant to chapter 1-26, and in general conformity with ASTM and NIST standards in effect on January 1, 2005, promulgate rules:

- (1) Establishing standards for the maximum volume percentages of ethanol, methanol, ether, and cosolvents in alcohol blended fuels;
- (2) Establishing a program for and prescribing the methods to be used for the inspection and testing of alcohol blended fuels, petroleum products, biodiesel, and biodiesel blends;
- (3) Requiring labeling of devices dispensing alcohol blended fuels, biodiesel, and biodiesel blends;
- (4) Establishing standards setting the specifications and tolerance requirements for petroleum products, biodiesel, and biodiesel blends; and
- (5) Regulating the filtering system to be used on devices dispensing alcohol blended fuels.
