

## States' Biofuels Statutes

### STATE OF CALIFORNIA

*This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [States' Biofuels Statutory Citations](#). These statutes are placed in reverse chronological order using the date of the most recent amendment to the statute. Many biofuels laws were enacted as amendments to previously passed laws.*

*Current through the 2013 Legislative Session of the California General Assembly.*

#### **§ 41321. Antelope Valley district; regulations relating to operators of public and commercial fleet vehicles**

(a) After a public hearing, the Antelope Valley district may adopt regulations to require operators of public and commercial fleet vehicles, when adding vehicles to, or replacing vehicles in, an existing fleet or when purchasing vehicles to form a new fleet, to purchase low-emission motor vehicles, and to require, to the maximum extent feasible or appropriate, that those vehicles be operated on a cleaner burning alternative fuel.

(b) For purposes of this section, “motor vehicle fleet” means 10 or more vehicles under common ownership or operation.
