

States' Biofuels Statutes

STATE OF CONNECTICUT

This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [States' Biofuels Statutory Citations](#). These statutes are placed in reverse chronological order using the date of the most recent amendment to the statute. Many biofuels laws were enacted as amendments to previously passed laws.

Current through the 2013 Legislative Session of the Connecticut General Assembly.

§ 16a-37w. Program to encourage use of biodiesel in state buildings

The Secretary of the Office of Policy and Management shall, within available appropriations and in consultation with each state department, each constituent unit of the state system of higher education, as defined in section 10-1, the Judicial Branch and the Joint Committee on Legislative Management, establish a program designed to encourage the use of biodiesel blended heating fuel mixed from not more than ninety per cent ultra low sulfur number 2 heating oil and not less than ten per cent of biodiesel in state buildings and facilities under the custody and control of such department, unit, branch or committee. On or before January 1, 2008, the secretary shall prepare a plan for implementation of such program which shall include, but not be limited to, (1) identification of state buildings and facilities suitable for biodiesel blended heating fuel, (2) evaluation of energy efficiency and reliability of biodiesel blended heating fuel in such buildings and facilities, and (3) the availability and feasibility of exclusively using such fuels or fuel products, including agricultural products or waste yellow grease, produced in Connecticut.
