

States' Biofuels Statutes

STATE OF ILLINOIS

This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [States' Biofuels Statutory Citations](#). These statutes are placed in reverse chronological order using the date of the most recent amendment to the statute. Many biofuels laws were enacted as amendments to previously passed laws.

Current through the 2013 Legislative Session of the Illinois General Assembly.

120/25. Ethanol fuel research program

§ 25. Ethanol fuel research program. The Department of Commerce and Economic Opportunity shall administer a research program to reduce the costs of producing ethanol fuels and increase the viability of ethanol fuels, new ethanol engine technologies, and ethanol refueling infrastructure. This research shall be funded from the Alternate Fuels Fund. The research program shall remain in effect, subject to appropriation after calendar year 2004, or until funds are no longer available.
