

States' Biofuels Statutes

STATE OF ILLINOIS

This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [States' Biofuels Statutory Citations](#). These statutes are placed in reverse chronological order using the date of the most recent amendment to the statute. Many biofuels laws were enacted as amendments to previously passed laws.

Current through the 2013 Legislative Session of the Illinois General Assembly.

150/1. Short title

§ 1. Short title. This Act may be cited as the Promote Illinois Ethanol and Biodiesel Act.

Credits: P.A. 95-749, § 1, eff. July 23, 2008.

150/5. State agency webpage requirements

§ 5. State agency webpage requirements.

(a) Each State agency that maintains an Internet website may, subject to appropriation, include hypertext links to websites containing information on ethanol and biodiesel fuels. These hypertext links shall include any website maintained and operated by a State agency that posts information regarding E85 fuel or biodiesel fuel and may include private websites including, but not limited to, websites maintained and operated by:

- (i) Illinois agricultural or health related organizations; and
- (ii) national agricultural, renewable fuel, or health related organizations.

(b) For the purpose of this Act, "State agency" means any department, office, commission, board, or authority within the executive branch of State government, and includes State-supported universities and colleges and the Illinois Building Authority.
