

States' Biofuels Statutes

STATE OF ILLINOIS

This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [States' Biofuels Statutory Citations](#). These statutes are placed in reverse chronological order using the date of the most recent amendment to the statute. Many biofuels laws were enacted as amendments to previously passed laws.

Current through the 2013 Legislative Session of the Illinois General Assembly.

520/6.5. Corn to ethanol

§ 6.5. Corn to ethanol. The Board shall operate and manage the National Corn-to-Ethanol Research Pilot Plant for the purpose of reducing the costs of producing ethanol through the development and commercialization of new production technologies, equipment, processes, feedstocks, and new value added co-products and by-products. This work shall be conducted under the review and guidance of the Illinois Ethanol Research Advisory Board. The ethanol production research shall be conducted at the National Corn-to-Ethanol Research Pilot Plant in cooperation with other universities, industry, State agencies, and the federal government.

520/6.6. Illinois Ethanol Research Advisory Board

§ 6.6. The Illinois Ethanol Research Advisory Board.

- (a) There is established the Illinois Ethanol Research Advisory Board (the "Advisory Board").
- (b) The Advisory Board shall be composed of 13 members including: the President of Southern Illinois University who shall be Chairman; the Director of Commerce and Economic Opportunity; the Director of Agriculture; the President of the Illinois Corn Growers Association; the President of the National Corn Growers Association; the President of the Renewable Fuels Association; the Dean of the College of Agricultural, Consumer, and Environmental Science, University of Illinois at Champaign-Urbana; and 6 at-large members appointed by the Governor representing the ethanol industry, growers, suppliers, and universities.
- (c) The 6 at-large members shall serve a term of 4 years. The Advisory Board shall meet at least annually or at the call of the Chairman. At any time a majority of the Advisory Board may petition the

Chairman for a meeting of the Board. Seven members of the Advisory Board shall constitute a quorum.

(d) The Advisory Board shall:

(1) Review the annual operating plans and budget of the National Corn-to-Ethanol Research Pilot Plant.

(2) Advise on research and development priorities and projects to be carried out at the Corn-to-Ethanol Research Pilot Plant.

(3) Advise on policies and procedures regarding the management and operation of the ethanol research pilot plant. This may include contracts, project selection, and personnel issues.

(4) Develop bylaws.

(5) Submit a final report to the Governor and General Assembly outlining the progress and accomplishments made during the year along with a financial report for the year.

(6) Establish and operate, subject to specific appropriation for the purpose of providing facility operating funds, the National Corn-to-Ethanol Research Center at Southern Illinois University at Edwardsville as a State Biorefining Center of Excellence with the following purposes and goals:

(A) To utilize interdisciplinary, interinstitutional, and industrial collaborations to conduct research.

(B) To provide training and services to the ethanol fuel industry to make projects and training to advance the biofuels industry in the State more affordable for the institutional and industrial bodies, including, but not limited to, Illinois farmer-owned ethanol cooperatives.

(C) To coordinate near-term industry research needs and laboratory services by identifying needs and pursuing federal and other funding sources.

(D) To develop and provide hands-on training to prepare students for the biofuels workforce and train workforce reentrants.

(E) To serve as an independent, third-party source for review, testing, validation standardization, and definition in areas of industry need.

(F) To provide seminars, tours, and informational sessions advocating renewable energy.

(G) To provide consultation services and information for those interested in renewable energy.

(H) To develop demonstration projects by pursuing federal and other funding sources.

(e) The Advisory Board established by this Section is a continuation, as changed by the Section, of the Board established under Section 8a of the Energy Conservation and Coal Act¹ and repealed by this amendatory Act of the 92nd General Assembly.
