

States' Biofuels Statutes

STATE OF ILLINOIS

This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [States' Biofuels Statutory Citations](#). These statutes are placed in reverse chronological order using the date of the most recent amendment to the statute. Many biofuels laws were enacted as amendments to previously passed laws.

Current through the 2013 Legislative Session of the Illinois General Assembly.

65/5. Requirement

§ 5. Requirement. All gasoline burning motor vehicles owned or leased by any State college or university shall be equipped to operate on ethanol blended gasoline as defined in Section 3-40 of the Use Tax Act¹ and are required to be operated on ethanol blended gasoline whenever ethanol blended gasoline is available.
