

States' Biofuels Statutes

STATE OF IOWA

This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [States' Biofuels Statutory Citations](#). These statutes are placed in reverse chronological order using the date of the most recent amendment to the statute. Many biofuels laws were enacted as amendments to previously passed laws.

Current through the 2013 Legislative Session of the Iowa General Assembly.

452A.6. Ethanol blended gasoline and other products--blender's license

1. a. A person other than a supplier, restrictive supplier, or importer licensed under this division, who blends gasoline with ethanol as defined in section 214A.1 in order to formulate ethanol blended gasoline, shall obtain a blender's license.
- b. A person who blends two or more special fuel products or sells one hundred percent biofuel shall obtain a blender's license.
2. A blender's license shall be obtained by following the procedure under section 452A.4 and the blender's license is subject to the same restrictions as contained in that section.
3. A blender required to obtain a license pursuant to this section shall maintain records as required by section 452A.10 as to motor fuel, ethanol, ethanol blended gasoline, and special fuels.
