

## States' Biofuels Statutes

### STATE OF IOWA

*This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [States' Biofuels Statutory Citations](#). These statutes are placed in reverse chronological order using the date of the most recent amendment to the statute. Many biofuels laws were enacted as amendments to previously passed laws.*

*Current through the 2013 Legislative Session of the Iowa General Assembly.*

#### **455B.104. Departmental duties**

1. The department shall either approve or deny a permit to a person applying for a permit under this chapter within six months from the date that the department receives a completed application for the permit. An application which is not approved or denied within the six-month period shall be approved by default. The department shall issue a permit to the applicant within ten days following the date of default approval. However, this subsection shall not apply to applications for permits which are issued under division II or division IV, parts 2 through 5.
2. The department shall assist persons applying for assistance to establish and operate renewable fuel production facilities pursuant to section 15.335B.
3. The department may periodically forward recommendations to the commission designed to encourage the reduction of statewide greenhouse gas emissions.
4. By December 31 of each year, the department shall submit a report to the governor and the general assembly regarding the greenhouse gas emissions in the state during the previous calendar year and forecasting trends in such emissions. The first submission by the department shall be filed by December 31, 2011, for the calendar year beginning January 1, 2010.
