

States' Biofuels Statutes

STATE OF MAINE

This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [States' Biofuels Statutory Citations](#). These statutes are placed in reverse chronological order using the date of the most recent amendment to the statute. Many biofuels laws were enacted as amendments to previously passed laws.

Current through the 2013 Legislative Session of the Maine General Assembly.

§ 585-M. Prohibition on sale of gasoline containing corn-based ethanol

1. Prohibition on sale. A person may not sell or offer for sale gasoline that contains corn-based ethanol as an additive at a level greater than 10% by volume.

2. Effective date. This section does not take effect until at least 2 of the 6 New England states in addition to this State have enacted laws that prohibit the sale of gasoline that contains corn-based ethanol as an additive at a level greater than 10% by volume. The commissioner shall notify the Secretary of State, the Secretary of the Senate, the Clerk of the House of Representatives and the Revisor of Statutes when at least 2 New England states in addition to this State have enacted laws that prohibit the sale of gasoline that contains corn-based ethanol at a level greater than 10% by volume. In no event may this section take effect until 90 days after adjournment of the First Regular Session of the 126th Legislature.
