

States' Biofuels Statutes

STATE OF MARYLAND

This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [States' Biofuels Statutory Citations](#). These statutes are placed in reverse chronological order using the date of the most recent amendment to the statute. Many biofuels laws were enacted as amendments to previously passed laws.

Current through the 2013 Legislative Session of the Maryland General Assembly.

§ 4-404. Gasoline service facilities on the John F. Kennedy Memorial Highway

Construction by Authority

(a) The Authority shall construct any gasoline service facilities that it finds to be needed on the John F. Kennedy Memorial Highway.

Biofuel requirements

(b) The Authority may require a gasoline service facility located on the John F. Kennedy Memorial Highway to sell a blend of fuel that is at least 5% biodiesel fuel or other biofuel approved by the U.S. Environmental Protection Agency as a fuel or fuel additive or approved under the EPA Renewable Fuels Standard 2 Program.

Regulation of fuel prices

(c) The Authority shall regulate the prices of fuel products sold on the highway to the extent necessary to achieve reasonable costs to patrons.

Credit card payments for products and services

(d) The lessee of any service station established under this section shall accept in payment for products sold and services rendered those credit cards that the Authority directs.
