

States' Biofuels Statutes

STATE OF MICHIGAN

This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [States' Biofuels Statutory Citations](#). These statutes are placed in reverse chronological order using the date of the most recent amendment to the statute. Many biofuels laws were enacted as amendments to previously passed laws.

Current through the 2013 Legislative Session of the Michigan General Assembly.

125.2079. Renewable fuel plants; inventory of prime sites

Sec. 79. (1) The fund shall identify, publish, and market an inventory of prime sites for the location of renewable fuel plants with existing industrial facilities that have by-products that renewable fuel plants could use to produce energy in this state.

(2) The fund shall make the inventory available to the public on the internet not later than January 1, 2009.

(3) Local units of government and their economic development agencies may assist the fund in its duties under this section.
