

States' Biofuels Statutes

STATE OF MICHIGAN

This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [States' Biofuels Statutory Citations](#). These statutes are placed in reverse chronological order using the date of the most recent amendment to the statute. Many biofuels laws were enacted as amendments to previously passed laws.

Current through the 2013 Legislative Session of the Michigan General Assembly.

324.2511. Designation of schools as green, emerald, or evergreen schools; criteria; applications

Sec. 2511. (1) A public or private school in this state may apply to be designated as a “green school” by submitting an application to the entity designated under subsection (4) by the county in which the school is located. A school is eligible to receive a green school, emerald school, or evergreen school environmental stewardship designation under this section if the school or students perform the required number of activities, with a minimum of 2 activities from each of the categories described in subsection (2), as follows:

(a) Green school--10.

(b) Emerald school--15.

(c) Evergreen school--20.

(2) The activities in the following 4 categories qualify toward an environmental stewardship designation under this section:

school supplies.

(b) Energy category, which includes the following activities:

(i) Offering at least 1 teaching unit on alternative energy.

(ii) Using alternative energy, renewable fuels, or specialized energy-efficient technology in school operations.

(iii) Implementing a school energy-saving program.

(iv) Performing energy audits at student homes and educating student families and the community.

(v) Taking part in a project or event to promote improved vehicle fuel efficiency.

(vi) Sponsoring an alternative energy presentation, project, or event.

(c) Environmental protection category, which includes the following activities:

(i) Participating in activities promoting the health of the Great Lakes watershed.

(ii) Offering a teaching unit on environmental issues facing this state.

(iii) Establishing or maintaining a natural Michigan garden project with native plants.

(iv) Establishing or maintaining an animal habitat project.

(v) Participating in a local community environmental issue by activities such as letter-writing, attending public hearings, raising funds, or community outreach.

(d) Miscellaneous category, which includes the following activities:

(i) Adopting an endangered or threatened species and publicizing the activity.

(ii) Hosting an environmental or energy speaker, event, or field trip.

(iii) Establishing a student organization that participates in environmental activities.

(iv) Observing earth day by participating in an earth day event in April.

(v) Maintaining an updated bulletin board or kiosk with information on environmental concerns and the school's actions in addressing those concerns.

(vi) Establishing an eco-reading program.

(vii) Updating the school's media center environmental materials.

(viii) Visiting internet sites that educate about the environment and support endangered ecosystems.

(3) In addition to the activities described in subsection (2), a school may design and propose another activity, which may qualify toward an environmental stewardship designation under this section if the entity designated under subsection (4) approves the activity by December 1 of the applicable school year.

(4) A county shall designate a department of the county or the intermediate school district of the county to accept, consider, and approve or reject an application under subsection (1).
