#### **122.861 Diesel emissions reduction grant program; clean diesel school bus program; diesel emissions grant fund**

(A) As used in this section:

(1) “Certified engine configuration” means a new, rebuilt, or remanufactured engine configuration that satisfies divisions (A)(1)(a) and (b) and, if applicable, division (A)(1)(c) of this section:

(a) It has been certified by the administrator of the United States environmental protection agency or the California air resources board.

(b) It meets or is rebuilt or remanufactured to a more stringent set of engine emission standards than when originally manufactured, as determined pursuant to Subtitle G of Title VII of the Energy Policy Act of 2005, Pub. L. No. 109-58, 119 Stat. 838, et seq.

(c) In the case of a certified engine configuration involving the replacement of an existing engine, an engine configuration that replaced an engine that was removed from the vehicle and returned to the supplier for remanufacturing to a more stringent set of engine emissions standards or for scrappage.

(2) “Section 793” means section 793 of the Energy Policy Act of 2005, Pub. L. No. 109-58, 119 Stat. 841, et seq.

(3) “Verified technology” means a pollution control technology, including a retrofit technology, advanced truckstop electrification system, or auxiliary power unit, that has been verified by the administrator of the United States environmental protection agency or the California air resources board.

(B) For the purpose of reducing emissions from diesel engines, the director of environmental protection shall administer a diesel emissions reduction grant program and a clean diesel school bus program. The programs shall provide for the implementation in this state of section 793 and shall otherwise be administered in compliance with the requirements of section 793, and any regulations issued pursuant to

that section.

The director shall apply to the administrator of the United States environmental protection agency for grant or loan funds available under section 793 to help fund the diesel emissions reduction grant program and the clean diesel school bus program.
