

States' Biofuels Statutes

STATE OF SOUTH DAKOTA

This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [States' Biofuels Statutory Citations](#).

Current through the 2014 Legislative Session of the South Dakota State Legislature.

§ 37-2-6. Rules--Conformity to ASTM and NIST standards

The secretary of the Department of Public Safety may, pursuant to chapter 1-26, and in general conformity with ASTM and NIST standards in effect on January 1, 2005, promulgate rules:

- (1) Establishing standards for the maximum volume percentages of ethanol, methanol, ether, and cosolvents in alcohol blended fuels;
- (2) Establishing a program for and prescribing the methods to be used for the inspection and testing of alcohol blended fuels, petroleum products, biodiesel, and biodiesel blends;
- (3) Requiring labeling of devices dispensing alcohol blended fuels, biodiesel, and biodiesel blends;
- (4) Establishing standards setting the specifications and tolerance requirements for petroleum products, biodiesel, and biodiesel blends; and
- (5) Regulating the filtering system to be used on devices dispensing alcohol blended fuels.
