

States' Biofuels Statutes

STATE OF TEXAS

This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [States' Biofuels Statutory Citations](#).

Current through the 2014 Legislative Session of the Texas State Legislature.

§ 17.104. Rules; Fees

(a) The commissioner may adopt rules consistent with this chapter for the regulation of the sale of motor fuels, including motor fuels that contain ethanol and methanol.

(b) The commissioner by rule may impose a fee for testing, inspection, or the performance of other services provided as determined necessary by the commissioner in the administration of this chapter. A fee imposed under this subsection shall be collected from each dealer, distributor, jobber, supplier, and wholesaler on a periodic basis determined by the commissioner without regard to whether the motor fuel is subject to regulation under this chapter.

(c) The commissioner by rule shall prescribe the form for reporting and remitting the fees imposed under this section.

(d) Fees collected under this section may be used only to administer and enforce this chapter.
