

## States' Biofuels Statutes

### STATE OF TEXAS

*This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [States' Biofuels Statutory Citations](#).*

*Current through the 2014 Legislative Session of the Texas State Legislature.*

#### **§ 2305.035. Alternative Fuels Program**

- (a) The energy office is the supervising state agency for the alternative fuels program.
- (b) The energy office shall provide funds under the program to promote, facilitate, and support the use of alternative fuels in this state.
- (c) Among the projects that may be funded under this section are:
  - (1) clean air projects;
  - (2) educational projects;
  - (3) demonstration and conversion projects; and
  - (4) technical research and training projects.
