

Climate Change Statutes

STATE OF KENTUCKY

This project was undertaken in partnership with the USDA Office of the Chief Economist, The Office of Energy Policy and New Uses. For information on the full project, visit [Climate Change Statutes](#).

Current through the 2009 Legislative Session of the Kentucky General Assembly.

§ 224.20-125. Prohibition against promulgating administrative regulations or imposing permit conditions based on Kyoto Protocol without state or federal legislation

(1) The cabinet shall not promulgate administrative regulations or impose permit conditions on the emission of carbon dioxide, methane, nitrous oxide, hydrofluorocarbons, perfluorocarbons, or sulfur hexafluoride pursuant to the Kyoto Protocol for the purpose of reducing global warming until authorized by the General Assembly or by federal statute. The cabinet may promulgate administrative regulations or impose permit conditions on the emission of carbon dioxide, methane, nitrous oxide, hydrofluorocarbons, perfluorocarbons, or sulfur hexafluoride for any other reason authorized by this chapter or required under federal statute or administrative regulation as long as the administrative regulations or permit conditions are not promulgated or imposed pursuant to the Kyoto Protocol.

(2) Nothing in this section shall be construed to limit or to impede state, local, or private participation in voluntary initiatives to reduce emissions of greenhouse gases, such as the United States Environmental Protection Agency's Green Lights program and the United States Department of Energy's climate change program.
