S.D. Codified Laws § 34-18-36. Canned good requirements-Verification

No canned good may be sold unless the pH level is 4.6 or less or the water activity level is .85 or less.

Except as otherwise provided in this section, a producer selling canned goods under this section shall, every five years, complete food safety training approved by the department. The training must be available online. The producer shall retain records verifying the timely completion of such training.

A producer selling home-processed goods under this section may, in lieu of the requirement for food safety training, maintain verification of each recipe from a third-party processing authority. The third-party processing authority must have knowledge of the thermal processing required of food in hermetically-sealed containers and shall verify the method of processing and that the pH or water activity threshold levels are met. The processing authority shall provide verification in writing to the producer.

S.D. Codified Laws § 34-18-37. Label requirements

Food prepared at a residence may not be sold unless it has a label that includes the following information:

- (1) Name of the product;
- (2) Name of the producer;
- (3) Physical address of production;
- (4) Mailing address of the producer;
- (5) Telephone number of the producer;
- (6) Date the product was made or processed;
- (7) Ingredients;
- (8) In the case of food sold in accordance with section 3 of this Act, a directive to keep refrigerated or frozen; and
- (9) A disclaimer that states: "This product was not produced in a commercial kitchen. It has been home-processed in a kitchen that may also process common food allergens such as tree nuts, peanuts, eggs, soy, wheat, milk, fish, and crustacean shellfish."
