**Order Granting the Administrator’s Request to Extend the Time
For Filing the Administrator’s Appeal Petition**

On November 28, 2016, Kevin Shea, Administrator, Animal and Plant Health Inspection Service, United States Department of Agriculture [Administrator], filed a request that I extend to November 29, 2016, the time for filing the Administrator’s appeal petition.¹ Counsel for the Administrator asserts that counsel for the Respondents has advised that Respondents do not object

¹ The Administrator also requests that I extend the time for filing the Administrator’s “pre-hearing brief” to November 29, 2016 (Complainant’s Req. for Extension of Time to File Pet. for Appeal at the second unnumbered page). Based on the record before me, I infer that the Administrator’s request to extend the time for filing a “pre-hearing brief” is error and the Administrator intended to refer to an “appeal petition.”

to the Administrator's request for an extension of time. For good reason shown, the Administrator's November 28, 2016, request for an extension of time for filing an appeal petition is granted. The time for filing the Administrator's appeal petition is extended to, and includes, November 29, 2016.²
