Order Granting Respondents' Request to Extend the Time for Filing Respondents' Response to the Administrator's Appeal Petition

On December 13, 2016, Douglas Keith Terranova and Terranova Enterprises, Inc. [Respondents], filed a request that I extend to January 9, 2017, the time for filing Respondents' response to the November 29, 2016 appeal petition filed by the Administrator, Animal and Plant Health Inspection Service, United States Department of Agriculture [Administrator]. Counsel for Respondents asserts that counsel for the Administrator has advised that the Administrator does not oppose Respondents' request for an extension of time. For good reason shown, Respondents' December 13, 2016 request for an extension of time for filing a response to the Administrator's

appeal petition is granted. The time for filing Respondents' response to the Administrator's appeal petition is extended to, and includes, January 9, 2017.¹
